## Glenwynn™ & Glanville™ Toilets

Speakman Glenwynn & Glanville Perfect Height Toilets deliver modern style that's backed by today's most sought-after functional features. Designed to be sleek and easy-to-clean both inside and out, each toilet features a linear skirted bottom for an updated look. These toilets are also engineered using high quality vitreous china that's finished with a smooth glaze through the trap designed to inhibit the growth of stain and odor-causing bacteria, mold and mildew on the surface. The flush valve, fill valve, and flapper are adjustable allowing the user to set the water level for optimum performance and water saving. Includes everything needed for installation, as well as a soft-close lid and long-lasting fill valve.
