DUO COLLECTION

A LOOK LIKE NO OTHER.

Looking for a dynamic Duo?

Meet Speakman's Duo Collection, an innovative twist on modern styling that allows you to easily mix-and-match metal finishes for a truly unique look.

A full bath collection will invigorate your room when you add a second metal to your fixtures. Choose from finishes in chrome, matte black, brushed nickel or brushed bronze for your base fixture – then select a sleeve in any other finish for a look that perfectly contrasts and is always in style.

The best part? You're never locked into your look for long. Easily swap out your sleeve for one in a different finish and enjoy an instant room makeover, courtesy of Speakman.
