# GLENWYNN PERFECT HEIGHT TOILETS

Speakman Glenwynn Perfect Height Toilets deliver modern style that's backed by today's most sought-after functional features. Designed to be sleek and easy-to-clean both inside and out, each toilet features a linear skirted bottom for an updated look and a rimless interior that reduces crevices inside the bowl. These toilets are also engineered using high quality porcelain that's finished with a smooth glaze through the trap designed to inhibit the growth of stain- and odor-causing bacteria, mold and mildew on the surface. The flush valve, fill valve, and flapper are adjustable allowing the user to set the water level for optimum performance and water saving. Includes everything needed for installation, as well as a soft-close lid and long-lasting fill valve.

## FEATURES

Rimless design eliminates common crevices inside the bowl, creating a smoother, easier-to-clean toilet.

Powerful siphonic flushing system for a more hygienic flush with less water.

High efficiency (1.28gpf/4.8lpf) operation is WaterSense Certified.

Fill Valve comes with a 7-year warranty. Porcelain components are backed by 10-year commercial warranty.

Unit ships ready to install: includes fixture(s), supply line, wax ring, flapper, fill valve, flush valve soft close seat and chrome-plated lever.

Elongated seat meets ADA requirements.
