

GLANVILLE™ PERFECT HEIGHT TOILET

SPEAKMAN®

GLANVILLE PERFECT HEIGHT TOILETS

A Speakman Glanville Perfect Height Toilet elevates the modern style and essential function of a bathroom in ways you'll appreciate every day: from the easy-to-clean one-piece design and concealed mounting bolts the bowl. Each fixture is engineered using high quality porcelain that's finished with a smooth glaze designed to inhibit the growth of stain- and odor-causing bacteria, mold and mildew on the surface. The flush valve, fill valve, and flapper are adjustable allowing the user to set the water level for optimum performance and water saving. Includes everything needed for installation, as well as a soft-close lid and longest-lasting fill valve.

T-6000
